VOL. IV. NO. 32. CHICAGO, SUNDAY AND MONDAY, FEBRUARY 6-7, 1898. PRICE, 5 CENTS

GOSSIP OF THE TURF.

A gentleman in this city recently wrote to "Pa" Bradley at Wilcox Wharf, Va., to put a price on Traverser. Bradley owns a half interest in the colt, and of course it was a natural supposition that he might be willing to sell at a reasonable figure, say twelve or fifteen thousand dollars. Here is Bradley's reply:

"I priced Traverser at Chicago before he started for California at \$50,000, and will now take that amount for him, net. Anything you can get above that figure you can have."

The gentleman who wrote Bradley is now wondering just about what commission he is likely to get if he sells the colt.—Morning Telegraph.

Gene Leigh is in the western country again. He will race in his own land until the Jockey Club tracks begin business. Then and thereafter he declares to become a New Yorker. Leigh says: "I've rented a house and stable containing twenty stalls within fifteen minutes of the Brighton Beach and Sheepshead tracks, and thirty minutes of the Brooklyn track. I can lead a horse to either track without much inconvenience."

"I think that Chris Fitzgerald will do the starting on the Jockey Club tracks of 1898. 'Pittsburg Phil' isn't broke. He lost \$80,000 in a lump on the end last fall. But he won between \$300,000 and \$400,000 in the earlier part of the season."

"Ben Brush is going to England."

"I'm out of the breeding business forever. What I sold for \$90,000 cost me \$200,000. The annual maintenance account of La Belle was more than \$25,000."

Speaking of the Kentucky racing bill the Enquirer says: "It has been the observation of the Enquirer correspondent during many heated discussions on the bill that men who breed horses to sell for racing purposes favor the measure, while those who have arrayed themselves against it are for the most part men who are identified with the gambling end of the racing game."

Senator Bronston is very much in earnest in his endeavor to secure the passage of his bill pending before the Kentucky legislature to limit the length of race meeting. In an interview he is reported to have said: "That bill will be passed. It was introduced at the request of the breeders of racing horses. Hull Davidson is not the instigator of the bill, as has been intimated. The representative breeders are of the opinion that racing has been overdone, and that if track operators are permitted to go on unrestricted it is simply a matter of time until by forced legislation the sport will be eternally killed. This bill provides for a limit on racing to 15 days each, spring and fall, which is enough. It makes the operation of a poolroom or a foreign book on a race track an offense punishable alone by imprisonment. Not if I can prevent it will that bill die in the hands of any committee. No, sir."

From the weights assigned American horses engaged in the early English handicaps it is quite evident they are by no means held in slight esteem. Here are the weights: Lincolnshire Handicap, one mile, to be run March 22, James R. Keene's St. Cloud II (4), 119; James R. Keene's Voter (4), 117; Lorillard-Beresford stable's Diakka (5), 124; Lorillard-Beresford stable's Sandia (4), 117. Jubilee Stakes, one mile, to be run May 7, at Kempton Park, Lorillard-Beresford stable's Diakka (5), 128; Lorillard-Beresford stable's Sandia (4), 122; Lorillard-Beresford stable's Berzak (4), 108; James R. Keene's Voter (4), 120; James R. Keene's St. Cloud II (4), 115; A. Cockburn's David II (4), 98; Richard Croker's Dobbins (8), 98.

LIEBER KARL'S 1898 CHANCES.

If all goes well with him, it is more than probable that Lieber Karl will make his debut as a 3-year-old in the Memphis Derby, and it is equally probable that he will go to the post the favorite. This chestnut son of Forester and Daisy Woodruff showed himself to be a rarely good stayer last year and possessed in no small measure of the first requisite of a race horse—speed. Three of his victories were over a mile course and in one he established the record for 2-year-olds at that distance. He is extensively engaged this year, and, unless he falls victim to some of the many accidents attending training and racing, appears likely to rank high among the crack 3-year-olds of 1898.

Last year Lieber Karl started in fifteen races, of which he won six, was second in four, third in two and ran three times unplaced. With 108 pounds up he beat Traverser and Official a mile in 1:40 at Harlem, winning as he pleased by ten lengths. At the same course he ran a mile in 1:40 with 95 pounds in the saddle. Carrying 116 pounds he won the Chrysanthemum Stakes at St. Louis, doing the mile easily in 1:42.

J. W. SCHORR & SON'S LIEBER KARL, CH. C. 3, BY FORESTER—DAISY WOODRUFF.

At even weights, 118 each, Malvolio beat him a neck at Oakley, five and one-half furlongs in 1:07, and beat him a half length in the Garnet Stakes at the same track, six furlongs in 1:14, Malvolio carrying 115 pounds to Lieber Karl's 121. Altogether Lieber Karl's 2-year-old career was such as to inspire reasonable expectations of a brilliant future as a race horse. The colt's dam is among Barney Schreiber's band of broodmares at Woodlands. Gene Leigh sold her last spring with Estelle and Park Ridge.

THE AMERICAN SPORTING MANUAL.

The first edition of the American Sporting Manual is exhausted. A second edition is on the market. The book is by far the best thing in the line of records ever offered to the American public. The paper edition sells for 25 cents. The soft morocco covered, gold lettered Manual at 50 cents is a volume that the lover of correct sporting records can use for a score of years.

THE FORM OF BOBBY BEACH.

The 2-year-old filly May Beach won a race at New Orleans recently. This led to the publication of a sketch of the doings of her sire Bobby Beach in a New Orleans newspaper. It was readable but singularly inaccurate. Among other things it said:

"In the west Bobby Beach was invincible at his game, six furlongs and under, and Brown took him east in search of new sprinters to conquer and new killings to make; but before he could show the easterners how fast he was he succumbed to the hereditary weakness of the Faustuses, bad forelegs, and dropped out of sight."

Bobby Beach was a sprinter, it is true, for his measure of speed was of the highest order, but he was a stayer as well and as good at a mile or more as at shorter distances. Captain Jim Brown took him east in 1890 when he was a 3-year-old. There, instead of succumbing before "he could show the easterners how fast he was," he started in seven races over the Sheepshead Bay and Gravesend race tracks. Of these he won five and was second in two and incident-

NOTES OF THE TURF.

An English exchange says: "Mr. Horatio Bottomley paid a visit to Mr. John Porter at Kingsclere recently, and concluded the purchase of Hawfinch, by Gold Finch—Chalk-Hill-Blue, the winner of the Dewhurst Plate, and engaged in this year's Derby. The price paid was \$25,000, with a contingency in the event of the colt winning the Derby."—Spirit of the Times.

Capt. S. S. Brown has ordered a starting machine to be put up at the Bascombe race track, Mobile, where it will be used for schooling his horses in training, especially the two-year-olds. If more time was given to educating youngsters to the machine there would be less trouble at the post and better starts.—Turf, Field and Farm.

The veteran Cy Mulkey will race Yaruba and Watossa, two youngsters bred by A. B. Spreckels at his Napa stock farm. Yaruba is by the English horse Golden Garter, dam the Australian mare Yarranabee. Watossa is by Watercress out of Atosa, by the Melbourne cup winner Dunlop.—San Francisco Examiner.

John E. Madden's horses earned for him the neat aggregate of \$63,375 in 1897. Hamburg of course was the star performer with total winnings of \$43,335. Plaudit contributed \$7,200 and Howland an even \$3,000.

Sallie Clicquot will no longer be a racing factor. She is the property of J. B. Haggin and has been ordered to be sent to Rancho del Paso for retirement to breeding uses.

Mars Cassidy has resigned his position as starter on the Maryland outlaw tracks. Frank Bray has been made his successor.

The recently closed Brighton Beach stakes have received 788 entries and more are expected.

Fred Foster is dangerously sick at New Orleans with typhoid pneumonia.

*+Coupled in betting. †Emperor of Norfolk—Merremac colt.

Winner—Ch. c, by Conveth—Formosa.

Start good. Won in a hard drive. Five horses were in the fighting finish. Saintly should have won. He was best and is game and true; was poorly ridden and closed strong and true. Formero is a good game colt and will improve. He was lucky and well managed. Young had a rough journey and was not well ridden. This fellow likes a route. He closed strong. Scratch was not bumped or hampered. He is a good colt. Watch him. He was used too much and weakened in the stretch. Will and Tell ran their races. The latter, poorly handled, can be tabbed. Malay will only do well on a fast track. He will favor a route. Ach, off badly, had no chance, but has been highly tried.
